

14) I'M TRAVELLING AROUND THE WORLD

(CD tracks 37-38)

Chorus:

I am travelling around the world; I am travelling around the world;
I am travelling around the world; I'm travelling around the world with you.
I hear a melody, a beautiful melody.
I don't know it, where does it come from?
Where does it come from? Where from?

Last chorus:

I am travelling around the world; I am travelling around the world;
I am travelling around the world; I'm travelling around the world with you.
We have to go home now; we say "good bye!" now.
"Thank you! Cheerio! See you soon!
Good bye! Good bye! It was very nice."
