Name: \_\_\_\_\_

**Throw a hula-hoop ring (or any ring of about 1 meter radius) on an area in a garden, meadow or field.  
Draw what you see inside your sample space:**

(Please note: scribbling the whole space green, or doing anything equally as careless will not count)

# Biodiversity Field Survey

**Date:** \_\_\_\_\_

**Time:** \_\_\_\_\_

**Temperature:** \_\_\_\_\_

**Weather:** \_\_\_\_\_

**Are all plants short or tall?**

**How many plants are flowering?**

**How many different kinds of plants are there?**

**Draw each kind of plant you see in the space below:**

**Are there any bugs or worms? If so, how many? How many different kinds?**
