

VOCABULARY: Sustainability Initiatives in Car Manufacturing

Adapted from: <https://www.youtube.com/watch?v=DKYHxcEpVdk>

Introducing Sustainability in Automotive

Word	Definition	My Notes (Annotations)
Carbon Zero (Net Z)		
Operational Efficiency		
Electrification		
Sustainable Sourcing		
Smart Manufacturing		
Green IT		
Renewable Energy		
Circular Economy		

Challenges to Sustainability Initiatives

Concept	My Notes (Annotations)
Supply Chain Disruption	
Emissions (Measuring and Reporting)	
Energy Prices	
Lack of Investment	
Disconnects between Manufacturer and Consumer
