

# ACCESSIBLE EXAMINATIONS AT THE GOETHE-INSTITUT

**The Goethe-Institut offers accessible examinations at all levels (A1–C2).**

**These examinations are intended for people with:**

- visual impairments or blindness
- hearing impairments or deafness
- motor impairments
- reading and/or spelling difficulties (dyslexia)
- attention deficit / hyperactivity disorder (ADD / ADHD)
- autism spectrum disorder (ASD)
- speech impairments
- other conditions, e.g. neurological disorders

**The Goethe-Institut will arrange reasonable adjustments with you, such as:**

- extra examination time
- use of adapted exam materials in Braille
- use of lip-reading or sign language videos

**Please note:**

- Inform us of your specific needs before registering for the exam.
- Submit a medical certificate.

**Here you can test the examinations:**
