

### Goal

You get to know the other students in the partner class. You can compare your outfit with that of the students in the partner class.

### Language Learning Goal

You can make statements about your outfit and others' outfits. You can express which outfit you like and explain why. You can say which outfit you would like to try on.

# MY OUTFIT

What is part of your everyday outfit?  
What is not? Why not?

Which outfit do you wear when you want to show off? Which other students have a style similar to yours?

## YOUR ASSIGNMENTS

1 

Describe what you like to wear, including your favorite outfits, styles, jewelry, etc.

Example: Generally I like to wear...  
My favorite piece of clothing is...  
You could describe my style as...

2 

Take a photo of one of your favorite outfits without you in it.  
Send the photo to your teacher.

3 

Meet with the other students virtually, introducing yourself by providing information such as:

- name, age, hobbies
- interests and extracurricular activities
- favorite color
- any additional fact about yourself

This information should include one hidden clue about your outfit so that the other students can guess which outfit might be yours.  
Take turns guessing whose outfit is whose. When an outfit is guessed correctly, give the student time to talk about why this outfit is their favorite.

4 

If you want, you can privately message those who have a style similar to yours or whom you'd enjoy switching styles with.
