

Group Registration Form

During your visit to the Goethe-Institut, we will offer your students a program that will be held in simple German (English may be used if necessary). It includes a short introduction to the Goethe-Institut and an interactive cultural and language program. At the end of the program, students will be offered cookies and a soft drink. We would like to take a group photo to post on our website. Please prepare your group to be at the Goethe-Institut for about 60 - 75 min. We can accommodate a group of up to 25 students per visit. If you have more than 25 students, we will work with you so that all students can participate (for example, dividing the students into two groups).

Please return this registration form in order to register. Thank you.
