Yes you read that right, probably the world's most iconic, notorious and strict bouncer of the much revered Berghain / Panorama Bar in Berlin will be in Manila later this month for the opening of the Club Berlin Exhibition.

The exhibition, which aims to highlight Berlin club and techno culture, has taken place in several cities around the world and is now coming to the Philippine capital. A combination of photography on the German capital's club culture but Marquardt himself and Martin Eberle will feature, alongside a number of sound installations with music by top names from the Berlin house and techno scene such as Modeselektor, Tale Of Us, Answer Code Request or Rødhåd. Designed to complement the photographs, the installation lets the guests listen clearly and separately to seven different DJs by simply moving from one small area of the exhibit to another.

The opening night, which takes place on August 26th, will have Marquardt give a talk about his photography and of course, his experience being the bouncer of Berghain in Berlin which is known to be one of the hardest clubs to get in to. The club, and Sven Marquardt himself are definitely cult figures amongst today's electronic music loving youth - a German newspaper also dubbed him "Lord Of The Night" at some stage.

The Club Berlin exhibit is an initiative of the German Cultural Center, Goethe-Institut Philippinen, together with newly opened nightclub XX XX (20:20), and creative agency Third Culture Music.

As part of the Club Berlin initiative, the Goethe-Institut is bringing some Berlin club culture to Manila in the form of club nights and DJs at XX XX. They brought in FJAAK live for the grand opening of the club, and will be hosting Berghain's newest resident Somewhen at the after-party of the exhibit opening on August 26th, with two more Berlin DJs across two dates in the coming months.

Admission to Club Berlin is free, it opens August 26th at Pineapple Lab in Makati. The opening starts at 6pm followed by the artist talk by Marquardt at 7pm, and an after party at XX XX.
