

Marx Now

**Dr. Michael Cohen, Professor African American & African Diaspora Studies,
UC Berkeley**

Please note: Due to the not always accessible sources, the quotation below may vary from the one read in the video.

“In the United States of North America, every independent movement of the workers was paralysed so long as slavery disfigured a part of the Republic. Labour cannot emancipate itself in the white skin where in the black it is branded.”

(Capital, Vol. I, Chapter 10)
