WITH THE GOETHE-ZERTIFIKAT A1: FIT IN DEUTSCH 1

The Goethe-Zertifikat A1: Fit in Deutsch 1 is a German exam for children and young people aged between 10 and 16 years.

It is proof of very basic language skills and corresponds to level one (A1) on the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR).

Certificates issued by the Goethe-Institut are recognised throughout the world. Our years of experience show that young learners are motivated by the Fit exams and their desire to carry on learning is increased.

By passing the examination, candidates show that they

- // can express themselves in a basic manner if the conversation partners speak slowly and clearly.
- // understand and are able to use familiar, everyday and commonly used expressions and simple sentences (e.g. information about themselves, their family, making a purchase, their work and on their local area).
- // can make requests and react to requests.
