### WITH THE GOETHE-ZERTIFIKAT A2 FIT IN DEUTSCH

**The Goethe-Zertifikat A2 Fit in Deutsch is a German exam for young people aged between 10 and 16 years.**

It calls for elementary language skills and corresponds to level two (A2) on the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR).

Certificates issued by the Goethe-Institut are recognised throughout the world and are valued even outside school by employers and colleges of further education in many countries as proof of qualification.

By passing the examination, candidates show that they

- // can understand and use sentences and frequently used expressions in everyday situations.
- // can express themselves in simple, routine situations involving an exchange of information about familiar and common topics.
- // can describe where they come from and their education, their immediate environment and things associated with their immediate needs using basic means.
