

HOW DOES THE RECOGNITION OF ACADEMIC QUALIFICATIONS WORK?

Do you already have a degree and would like to work in Germany? Your career prospects will improve if you have your degree recognised. Recognition is often a prerequisite for many regulated professions. Only then can you officially work in Germany in a certain profession.

POSITIVE LIST

Check this list of occupations that are currently in urgent need of skilled workers at www.arbeitsagentur.de/positivliste. If your reference profession is on this list, you stand a good chance of finding a job in Germany. But you will then have to undergo the recognition procedure for your academic qualification.

YOU CAN APPLY!

Now you can search for a job in Germany and start working. More information is available at the Federal Employment Agency, among others. Please note that for some professions you must first undergo an assessment and complete a technical terminology test.

KNOWLEDGE OF GERMAN

Good knowledge of German will help you to get started in your professional life. A level B1 language certificate is often a prerequisite.
