

Bauhaus Open House

Daily film programme at 6 pm

bauhaus imaginista - collected research

A separate film programme shows specially made works by contemporary artists and researchers Zvi Efrat, Kader Attia, the Otolith Group and Wendelien van Oldenburgh, on subjects and histories of Bauhaus.

Fivos Polydorides - representative of Cyprus modernism

An archival video gives additional information on the work of Polydorides. The film, presenting the Lanitis Farm Factory, from 1961, has a duration of 10 mins.
