Concert: 16.02.2019, Pierrot Lumière: A Multimedia Sound Performance

January 31, 2019 0 Comment

The MAM.manufaktur für aktuelle musik is coming to Manila this February for a multimedia sound performance in collaboration with Warped Type (Visuals), entitled "Pierrot Lumière" at FringeMNL 2019. Invited by the Goethe-Institut, their premiere Southeast Asia tour will take them to Jakarta, Malaysia, Vietnam and Myanmar.

The performance is part of a series of musical engagements organized by the Goethe-Institut in Southeast Asia called anders hören or "listen differently". This annual offering is meant to introduce the audiences in the region to not-so-common forms of appreciating classical music.

The multimedia sound performance will take place this February 16 (Saturday), 7pm, at Yuchengco Museum. Admission is free on a first come, first serve basis.
