Dear GAPP Coordinator:

We would appreciate your assistance in the following: the U.S. Dept. of State requests a report evaluating the importance of the grant GAPP receives and its contributions to the U.S. Dept of State's Public Diplomacy efforts.

Therefore, we kindly ask you to submit on a separate sheet of paper comments about the impact the GAP Program has had on your students, your school, and the wider community.

Thank you in advance for your help,

Your GAPP-Team
