

GROUP REGISTRATION FORM

FOR A CLASS VISIT TO THE GOETHE-INSTITUT CHICAGO

During your visit to the Goethe-Institut, we will offer your group a program held **in simple German** (English may be used if necessary). It includes a **short introduction to the Goethe-Institut** and an **interactive part about German language and culture**. At the end of the program, cookies and a soft drink will be served.

Please prepare your group to be at the Goethe-Institut for about **60 - 75 minutes**. We can accommodate groups of **up to 25 students**. Should your group be larger, we will work with you to find a solution to give all students the chance to participate (for example, by dividing the students into two groups).

We would like to post photos of your visit on our website (www.goethe.de/chicago) and on our social media pages (Facebook: Goethe-Institut Chicago; Twitter: @GI_Chicago; Instagram: @GI_Chicago). Therefore, you need to send us a **signed photo release form of every participant** prior to your visit.

To register and help us prepare for your visit, please provide the following information and send it to: Andreas.Woytowitz@goethe.de
