1. Take a placement test (**written and oral**) at the Goethe-Institut to determine your language level. The placement test costs KES 2,000. Please note that this is a recommendation and not an obligation. We recommend a score of at least 55% in the pre-assessment for those intending to sit for the exam.
2. Complete the examination booking form using the details on your identification document. *Make sure that all your details have been entered correctly and are clearly legible.* The details will be reflected on your certificate according to the identification document that you present on the examination day. Please note that certificates can neither be reprinted nor replaced. **You need to provide a coloured passport size photograph (not older than 3 months) and a valid identification document (visa applicants should submit passport), in original and a copy, on the examination day. Underage candidates without IDs or passports have to submit one of their parents' original ID, their birth certificate and waiting card, a sworn affidavit and a photograph that has been endorsed by our lawyer.**
3. Once your examination booking form has been accepted, deposit the examination fee in our account as indicated below. Present the transaction number or slip to the language course office for entry into the examination list. Please note that only those candidates whose names appear on the examination list will be admitted to the examination. You will receive a receipt with examination details. **Your candidate number (the 5-digit number in bold print) is very important and is required on the examination day. Please take good note of it and bring your receipt with you to the examination.**
4. On the day of the examination, report to the institute at 8.15a.m. or 10.15a.m. as notified.
