

HUMBOLDT & THE WEB OF LIFE

HOW TO REGISTER FOR FILM VIEWING & “DIY” ACTIVITIES AT GOETHE-INSTITUT?

The Science Film Festival is a celebration of science communication in over 20 countries in Southeast Asia, South Asia, Africa, the Middle East and Latin America. In cooperation with local partners it promotes science literacy and facilitates awareness of contemporary scientific, technological and environmental issues through international films with accompanying educational activities.

The official selection of films for 2019 is online now! The festival will take place in Chennai from 17.10. - 23.12.2019. <https://www.goethe.de/prj/sff/en/index.html>

This year for **SCIENCE FILM FESTIVAL 2019**, 25 films have been selected by the Juries for India. These films have varied genres from Family Edutainment, Ecology & Environment, Natural Science, Life Science and Technology, Culture and History, Non-verbal and Science shorts.

- 3 Films for Early Learners 5-8 years | 1st – 3rd Std.
- 4 Films for Primary School 9-11 years | 4th – 7th Std.
- 8 Films for Secondary School 12-16 years | 8th – 12th Std.
- 10 Films for University and General Public 17 years plus

- First 40 Schools with 25 students from each school will be invited by Goethe-Institut for film viewing on big screen and “Do it yourself” (DIY) activities by professional mentors.
- Participating Students will be given a certificate.
- Only on registration: <http://rebrand.ly/GSFF2019DIY>
