SOMMERKURSE 2020 SUMMER COURSES 2020 ΘΕΡΙΝΑ ΜΑΘΗΜΑΤΑ 2020 YAZ KURSLARI 2020

In line with the current situation, this summer we are pleased to offer new and attractive online courses for adults aged 15 and older, in addition to the classroom courses for young people up to 15 years of age. You can join our online courses from all over Cyprus!

Learn German with the professionals and study online in our virtual classroom with live sessions together with your teacher and fellow students. Take advantage of our practical and varied learning material on our learning platform. There are online exercises for which you will receive automated feedback and you will get regular individual feedback from your teacher on speaking and writing exercises.

In our German courses you are introduced not only to the German language, but also to Germany and its culture. Our experienced and highly qualified teachers use teaching methods, which have been proven as effective and which are continuously developed further. After an individual placement assessment, you can start lessons in the course at the right level for you.

A1 and A2 summer courses for **teenagers** will be taught in the **classroom** at the Goethe-Institut in Nicosia. Further **hygiene measures** have been implemented, in order to provide a safe environment to our students.
