

GOGOALS SDG BOARD GAME

KEY OBJECTIVES

1. Teach children around the world about the Sustainable Development Goals in a simple and child-friendly way.
2. Help people understand their role in the future of the planet as individuals, team players and most importantly, as responsible global citizens. In order to build a better world for everyone and the planet.

INTRODUCTION

We need younger generations to be key players for a brighter future, which is the main purpose of the "Go Goals!" game. Designed to be fun and engaging, this game informs children while motivating them to actively pursue the SDGs. With help from people like you, your family, your friends and community, we will be able to achieve the goals. Even small steps can help to make a big difference if millions around the world are involved!
