

## Cooperation Agreement for GAVE Stipend

Schools entering into this agreement are applying for a stipend of up to \$500 to assist them in purchasing either technical equipment or a digital license for the purpose of participating in a virtual exchange with GAVE. The exchange will take place during the 2020-2021 school year over a minimum of four weeks and cover at least one exchange theme in its entirety.

By signing this agreement along with their principal, teachers agree that they will fill out an evaluation form at the end of the exchange and that items purchased with this stipend are to remain the property of the school.
