

# LANGUAGE COURSES AND EXAMINATIONS

February 2021 -  
June 2021

Goethe-Institut Cyprus

**GOETHE  
INSTITUT**

Sprache. Kultur. Deutschland.

Learn German with the professionals! Join a language course at the Goethe-Institut Cyprus and enjoy **a modern learning environment** with **a long local tradition**.

In 2021, the Goethe-Institut Cyprus is celebrating its **60st anniversary**! We are proud to say that we have helped generations of people to learn German, pursue their careers and thus, to have become a part of the Cypriot community!

We offer **intensive and non-intensive language courses** with highly qualified teachers, the latest teaching methodology, first-rate technical equipment, tailored personal mentoring and advice. Our **communicative approach to language learning** is followed through in all our classroom-based and online courses. If you want to make rapid progress in little time, try our new intensive courses in online format which will allow you to reach level B1 within a year and give you maximum flexibility in your studying routine.

**Courses for young children, bilinguals and teens** have long been part of our 60 year history. We have specialized in providing youngsters with the pedagogical care and linguistic excellence necessary to guide them on their way to a German university.

Need an exam? It's right here! You can take **the exam GOETHE-ZERTIFIKAT** at all levels (A1-C2) in Nicosia at the official exam dates or by personal arrangement. In addition to our paper-based exams, we will offer you the opportunity to conduct computer-based tests at the levels B1 and B2 as of 2021.

After an **individual placement test**, you will start lessons at the right level. If you have no prior knowledge of German, you will automatically start in course level A1.

By enrolling in a course, the course participant confirms that he or she accepts the **Terms and Conditions of the Goethe-Institut Cyprus**. You will find them on our website and in our language course office.

In 2021, the Goethe-Institut Cyprus will introduce **the first digital exams of the GOETHE-ZERTIFIKAT B1 and B2.**

Why digital exams?

- The **keyboard** allows you to type and edit your text more quickly and freely - in addition, your text will be more legible.
- The **headset** has a higher audio quality than a CD-player and eliminates any outside noise.
- Browsing through your tasks on a screen feels familiar, always keeping an eye on the **digital clock** at the top of the browser window.
- **Change pages with one click**, have a **clear overview** on the tasks you have already completed and those you still have to.
- Finally, you will get the **results** of your digital exam **much faster** than with a paper-based one..

Please note that the new computer-based exams are taking place at the Goethe-Institut Cyprus. Your **physical attendance is required.**

The oral part of each examination is still paper-based and done with real face-to-face interaction in our house.
