

Are your pupils learning GERMAN? Are they between 13 and 16 years old? Then check out the GERMAN QUIZ CHALLENGE! Come with us to Munich and meet five young skateboarders who will help test your students, whilst learning about a wide range of topics from the environment to the alternative music scene.

This Online Application assesses your pupils' abilities in reading, listening and writing and all without a minute's marking.

QUICK GUIDE TO

# THE GERMAN QUIZ CHALLENGE

**GQC**  
GOETHE  
INSTITUT

## BEFORE THE GAME

YOU WILL NEED:

- ✓ Computer or laptop for the teacher, to start the game session
- ✓ Projector or smartboard for the Challenge phase
- ✓ Personal devices and headphones for each pupil
- ✓ Internet Connection

**STEP 1:** Teacher registers to access teacher dashboard at: [gqc.app.ovosplay.com/admin](https://gqc.app.ovosplay.com/admin)

**STEP 2:** Once registered, teacher sets up a session via the dashboard and generates session code for pupils to access session

**STEP 3:** Students log on to the game by creating an account and choosing an avatar at [gqc.app.ovosplay.com](https://gqc.app.ovosplay.com) or via the app store.

**STEP 4:** Students access the session by inputting the session code generated. They choose a team and the session can begin!

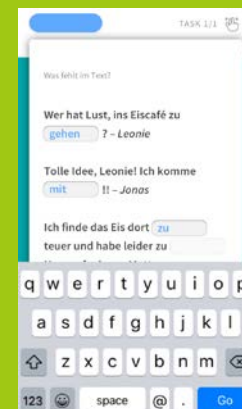

## DURING THE GAME

The session runs automatically once started and cycles through four turns of the focus phase and the challenge phase.

During the focus phase, students answer listening, reading and writing questions on their own devices.

During the challenge phase, students answer general knowledge questions about German culture as part of a team.

Teachers can track students' progress in real time via the teacher dashboard.

## AFTER THE GAME

Pupils can view their individual scores on their devices.

A winning team is calculated based on the responses to the challenge phase.

Teachers can see an overview of the individual results which may then be downloaded.

The game should be repeated at a further date to track progress.

The content of the game can be consolidated using the resources in the teacher resources pack.
