Interviews around Food

Documenting a digital food journey - By Laura Cadio

Students will create an online Journal that will give people an insight into the world of food and nutrition.

Under expert guidance, students will think of the best questions to ask, and conduct interviews of various people involved with this event: such as the speakers, workshop experts, participants, the director of the theatre "WIR SIND DIE" and filmmaker Valentin von Thurn.

22nd & 29th April, 6th & 20th May

Time: 1:30 to 3:30pm CET

Age: 13 to 17 Years

Registration: By invitation only

Language: German

Traditions around Food in Germany, India and Sri Lanka

- By Yashasvi Kannangara and Kala Jaiswal

Why do we eat what we eat? Why do we put certain ingredients in certain recipes? What are the traditions around our food and how does food bind us socially and culturally?

With the help of easy-to-cook recipes, students will embark on an intercultural journey, acquiring knowledge and perspective regarding Food from all three countries.

22nd & 29th April, 6th & 20th May

Time: 5 to 7pm IST or 1:30 to 3:30pm CET

Age: 13 to 17 Years

Registration: By invitation only Language: German/English
