SOMMERKURSE 2021 SUMMER COURSES 2021 ΟΕΡΙΝΑ ΜΑΘΗΜΑΤΑ 2021 YAZ KURSLARI 2021

Our **intensive summer courses** offer highly qualified teachers, the latest teaching methodology, first-rate technical equipment and online course material, as well as tailored personal mentoring and advice. Our **communicative approach to language learning** is followed through in all our classroom-based and online courses.

In line with the current situation, we are pleased to announce the **continuation of our successful online courses for adults** which are composed of online live sessions and tutored self-study at a ratio of 50:50 at A1 and A2 levels and 30:70 at B1 level.

A1 and A2 summer courses for **teenagers** will be **on-site courses** at the Goethe-Institut in Nicosia. We comply with the latest **hygiene measures** issued by the local authorities in order to provide a safe learning environment to our students and staff.

Would you like to sit an exam after your summer class? No problem! You can take **the exam GOETHE-ZERTIFIKAT** at all levels (A1-C2) in Nicosia at the official exam dates in late August / early September 2021 or by personal arrangement. Starting this year, all our B1 and B2 level exams will be taken as **computer-based** tests at our premises.
