# 1

Watch the videos **What is your personal affinity for your party?**. Who says what? Write down the name of the party next to the quotation.

- "Fighting climate change has the highest priority for me."**
- "Education for me is the key to success."**
- "I believe in solidarity and my party can bring about change to make our society juster, like for example a minimum wage."**
- "I advocate for a strong federalist system in which the states have authority on many decisions."**

# 2

#Which statement from task 1 do you find most important? Why is that?

# 3

Which other political goals do you find important? Name three.

# 4

What can you do to achieve these political goals?

# 3

# 5

Which party represents your interests and goals best? Choose from German or American parties and justify your decision.

# 6

Imagine you want to be spokesperson for this party. Convince your party colleagues that you are the best person for the job. Take some notes and record a one-minute audio on [www.vocaroo.com](http://www.vocaroo.com) or on your mobile phone. Send the audio file to your teacher.
