Lecture: River Width (Flussbreite messen)

Now I know (Ich kann schon) questionnaire for the River Width (Flussbreite messen) lecture

	How I s	see myself:	How my tea	teacher sees me:							
Lecture River Width	I know this.	I still need to work on this.	You know this.	You still need to work on this.							
I can understand a short technical film on the topic of river width.											
I can measure time, weight, length, and width.											
I can estimate time, weight, length, and width.											
I can measure length and width using steps and arm lengths.											
I know methods of measuring <i>river width</i> without using measuring instruments.											
I can correctly spell words on the topic.											
I can understand and follow instructions.											
I can successfully work with others.
