

The Art School Alliance (ASA) is an international exchange program launched in 2010 by the University of Fine Arts Hamburg with the goal of intensifying links and exchange between famous art institutions, art students and young artists all over the world. Today it fosters encounter and exchange for more than 40 students and lecturers per year, living and working at the Art School Alliance's Residency in Hamburg or at the partner institutions abroad. The Art School Alliance seeks to broaden and diversify its networks and therefore offers a

Guest Lecturer Fellowship at HFBK Hamburg

Entitled for application are

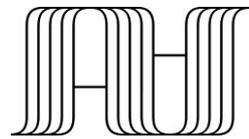

- **up-in-coming-artists** who explore and experiment around painting / drawing, sculpture, time-based media, stage design, photography, design and film and are interested to research and teach,
- **who currently live and work in Ethiopia**, have an Ethiopian **citizenship**, **are under 35**, are able to communicate on a sufficient level in either in **English or German** and possess a **usable passport** that is valid until December 2023 (minimum).

The programme by HFBK Hamburg and Goethe-Institut Äthiopien offers

- free accommodation and a studio in the [Art School Alliance residency](#) (private room, shared bathroom, kitchen and studio space with two to three young artists)
- a scholarship for cost of living,
- travel expenses (Addis Abeba – Hamburg – Addis Abeba) and health insurance.

The ASA Guest Lecturer will be assigned to an [HFBK department](#) of interest and collaborate with students and professors during winter semester 2022_23. In courses that have the character of seminars or workshops, the Guest Lecturer explores together with the students of all departments and study levels an artistic field of choice. He or she is expected to design their own seminar (approximately 3 hours a week) and to supervise up to 20 participating students from all departments in their individual artistic development. Independent of this, own projects can be pursued further at HFBK. Participation in exhibitions is highly appreciated. Find detailed information on [HFBK's Website](#).

The fellowship runs for one semester (**October 2022 – February 2023**) and is subject to the conditions of ASA by HFBK Hamburg and Goethe-Institut Äthiopien.

Application Process

Application is possible digitally only and will close on **30.06.2022 (midnight Addis Abeba time)**. Please carefully compile the following documents first:

- **CV**, including your academic or practical education and recent exhibitions or projects, your contact information (IMPORTANT: don't forget your contact information or we cannot contact you! email, mobile, etc.), date / place of birth, address, etc.
- maximum **1 A-4 page on which you answer the following questions:**
 1. What question would you like to discuss with the students of HFBK and why?
 2. Tell us of a situation, where you discussed your work with someone else (audience, online, family, friends, other artists...) and what challenges you faced?
 3. What do you think you can gain from this program and international exchange and how would you bring this back to Ethiopia?
- **portfolio** of your work (ca. 15 recent works)

Convert all documents into one PDF which has a maximum size of 10 MB, in exactly the order as described above. In case of videos, films or digital projects please provide us with links.
