

# Route

**Note: Both the nearest route and the accessible route are introduced in the following text. If you only need the information about the nearest route, please start reading from figure 3.**

**Step 1: If you use public transportation to visit us, please take Line 2 or 10, and get off at East Nanjing Road Station.**

**Step 2: The barrier-free elevator is located near Exit 2 of East Nanjing Road Station. After getting out of the barrier-free passage, please cross East Nanjing Road Pedestrian Street diagonally in southwest direction, and reach the intersection of East Nanjing Road and Middle Shandong Road.**

Picture 1 shows the accessible exit near the street and the ramp leading to the pedestrian area.

Picture 2 shows the view of the pedestrian area in front of the Henderson Metropolitan building, on the opposite side is the Hongyi Plaza, and the Mosaic Plaza.

**Step 3: Reach the intersection of East Nanjing Road and Middle Shandong Road. This intersection is next to Exit 3 of East Nanjing Road Station.**

Picture 3 shows on the right side the Mosaic Plaza, and on the left side the Hongyi Plaza. The Middle Shandong Road lies between these two buildings.

**Step 4: Reach Exit 3 of East Nanjing Road Station, and walk south for about 100 meters along Middle Shandong Road. There is a McDonald's restaurant in direction south.**

Picture 4 shows on the left side Exit 3 of East Nanjing Road Station with its 3 stairs. On the right side is the Mosaic Plaza. A McDonald's restaurant is in direction south.

**Step 5: Pass the intersection of Middle Shandong Road and Jiujiang Road. Keep on going for another 100 meters towards south.**

Picture 5 shows the intersection of Jiujiang Road and Shandong Middle Road, with a Hong Kong-style restaurant on the right and a beef hot pot restaurant on the left.

**Step 6: Pass the intersections of Middle Shandong Road and Hankou Road. Be careful, there are no traffic lights at Hankou Road intersection. Keep on going for another 50 meters towards south.**

Picture 6 shows on the right side the Press café & restaurant and on the left side the restaurant Lao Sheng Xing.

**Step 7: Keep walking south for about 50 meters to reach the accessible entrance gate of the Cross Tower on the right side of Middle Shandong Road. The Cross Tower is the highest building on this street section. In front of the Cross Tower there is a small green belt with Osmanthus trees. You will find the entrance and lobby after walking alongside this way which is gently inclining.**

Picture 7 shows the accessible entrance of the Cross Tower. Next to it there is a small green belt with Osmanthus trees.

**Step 8: The view of our institute in the afternoon and evening.**

Picture 8 shows the accessible entrance of the Cross Tower and our institute in the afternoon.

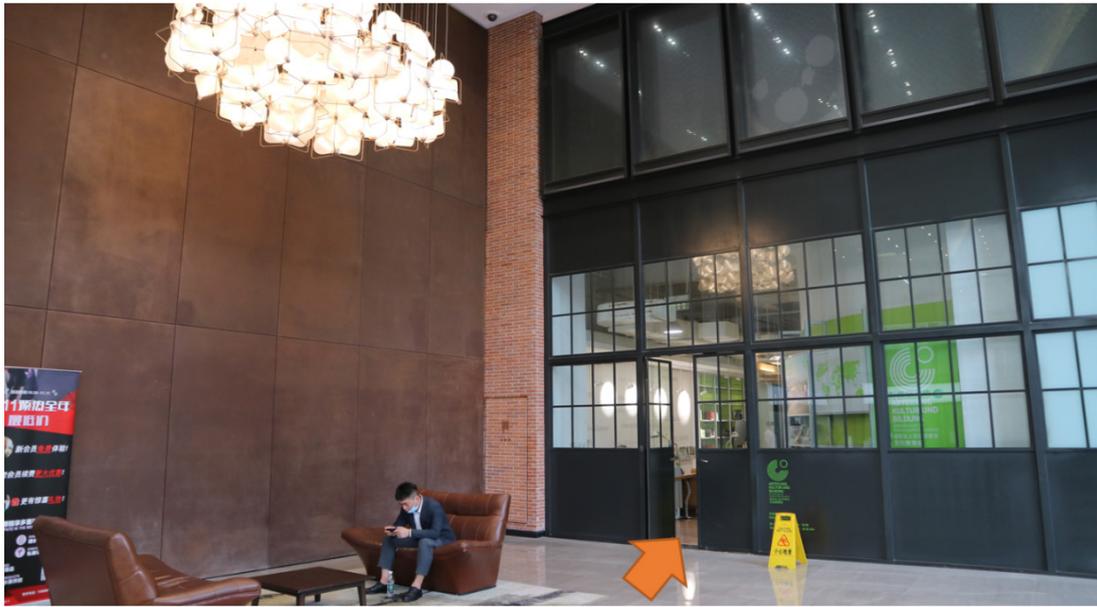

Picture 9 shows the view of our institute at night with our illuminated brand sign.

**Step 9: There are two automatic revolving doors and two accessible gates at the main entrance of the Cross Tower. Both gates lead you to the lobby. If you enter the Cross Tower lobby, you will find our accessible entrance directly at the right side. You are very welcome!**

Picture 10 shows the main entrance of the Cross Tower with an automatic revolving door and an accessible gate.

Picture 11 shows the entrance to our institute with our green logo at the right site.
