JANUARY-DECEMBER 2023

Goethe-Institut Nigeria

**GOETHE
INSTITUT**

Sprache. Kultur. Deutschland.

Learning German at Goethe-Institut Nigeria was a fortunate experience for me, enriching practical and rewarding. It was all about knowledge acquisition and self-discovery. The environment and facilities encouraged learning and meaningful interactions with other learners. I am mostly grateful for my experience at Goethe-institut Lagos because of the confidence I had when I arrived Bonn. I was able to fit into B2 class in Kreuzberg Bonn. All in all, my experience in Goethe-Institut Lagos was not only foundational but also irreplaceable.

**-Sylvester Emeruwa. SMMM A1-B1
Regensburg, Bayern**

I started the online A1 German Course without prior knowledge of the language and I was very lucky to have a good tutor who took time to teach and explain the German language to ease my understanding. Merely few weeks after, I can already understand many words and speak sentences in German with my course mates and whenever my husband calls. I cannot wait to join him in Germany.

**-Mrs. Imafidon Cecilia Nnachor. A1
Nittel, Rheinland-Pfalz**

I basically learnt the German language through the Online Course and it was very efficient. The singular opportunity I got in learning at Goethe-Institut has earned me lots of merits both intellectually and otherwise. I will gladly say that I am in Germany because of my contact with Goethe-Institut Nigeria. During the periods I spent with the Goethe-Institut Nigeria, the teachers helped me to improve my verbal and spatial abilities. I also got the opportunity to meet people in various spheres of life; both within Nigeria and beyond. I was entirely exposed to a new way of life and culture; it felt like I was already in Germany. By frequently visiting the resourceful library at the Goethe-Institut in Lagos, I developed the ability to read worldwide. I equally was able to gain admissions to various universities in Germany and her neighboring countries.

**-Ihediuba A. Benedict. A1-B2
Frankfurt am Main**

I enjoyed my time at the Goethe-Institut in Lagos, Nigeria with my teachers. There was so much fun and our teachers were really understanding and helpful to our needs. Learning the German Language has been of immense benefits to me as I have passed my Goethe-Zertifikat A1 Start Deutsch and I am on my way to Germany to join my husband and children. Thanks so much Goethe-Institut, Lagos, Nigeria.

-Leona Ogu. A1

I, Shalom Alabi am really grateful to the Goethe-Institut for helping me get over my fear of German Language. The tutors were awesome!!! The management was top notch!!! And my course mates? The very best! I am grateful for my experience at the Goethe-Institut Nigeria. I would class it as my immense luck to have also been the "Face of Goethe" as my course mates would call me. Goethe-Institut Nigeria is a place to find amalgamation of learning. Work hard to get it and be prepared for anything. **Maintain your attendance!**

**-Shalom Inioluwa Alabi. A1-B2
London**

It was a good experience for me to learn German at Goethe-Institut Nigeria. Learning German has had a positive impact on my career and I am pleased.

LIBRARY AND INFORMATION

The Library at the **Goethe-Institut Nigeria** is being remodelled and has opened its doors to the public again. In the next months, we will also have a special focus on children programmes.

Next to offering a wide selection of **German novels** (some in English translation), books on German history, geography and culture, as well as course material for learning German (all levels, A1 - C2), we also have a whole section that specifically focuses on **African literature**, philosophy and arts & culture. In addition, we stock an array of DVDs – mostly German movies, but also Music CDs – and have monthly updated **magazines** that give insight into politics and lifestyles in Germany.

Moreover, the **virtual library** of the Goethe-Institut allows our members to borrow digital documents, such as eBooks, eAudio books and electronic newspapers, for a predetermined period of time, by downloading them from the **eLibrary (Onleihe)**.

The Library also organizes **events**, such as workshops, conferences, and panel discussions, on a variety of topics in the fields of literature and current affairs with the aim to educate, network and exchange knowledge and experience.

Library membership varies: German language students at the Goethe-Institut have **FREE membership**, whereas non-students (everyone else) pay a yearly fee of **NGN 2,000**.

PROGRAMS AND CULTURAL EVENTS

Exhibition view of Wolfgang Tillmans "Fragile" at Art Twenty One Gallery, June 2022

In 2023, the programs department of the Goethe-Institut Nigeria continues its yearly projects **Support and Connect Initiative** and the **Berlin-Lagos Residency program** with their 8th and 4th consecutive year running. **We make Books, The Art/Space Negotiations: Lagos**, and **New Visions, Reel Stories** will have their second-year features while new projects like **Election Talks** (in retrospect of the coming elections in Nigeria) and **Dreaming New Worlds** (a series of discursive platforms on future innovations) gets their debut features. And, yeah! It is the year of the biennial and Goethe-Institut Nigeria will collaborate with other stakeholders. And, in partnership with other EUNIC members, we will be supporting regional projects from the international scene.

My experience with Goethe-Institut Nigeria was wonderful right from the very first day to the last day of my class with my tutor. I learnt a lot about the German culture, attended a lot of cultural shows and of course made a lot of good friends. Learning the German Language in Goethe-Institut Nigeria was not just about learning but experiencing the German culture in Nigeria. This is an experience everyone should look forward to!

**Faredat A. Muhammad Qieyaz. A1-B2
Austria**

I completed my A1 Blended Learning Course and wrote my A1 Start Deutsch examination at Goethe-Institut Nigeria. German Language is a very interesting language which I enjoyed so much while learning at the Goethe-Institut in Lagos. The teaching was always interactive and interesting. During the course duration, there were team activities, paired activities, there were also pictures and videos to make the course understandable and explanatory. Ich liebe die deutsche Sprache.

**-Alade Olaide Mabel. A1
Abuja**

Learning German language at Goethe-Institut Nigeria was a worthwhile journey for me. My tutor was amazing and was able to make the learning process easy by breaking down information into digestible chunks which enabled me master a chapter before moving on. Eventually, the chunks created the whole. Thanks you Goethe-Institut Nigeria for the impact.

-Pauline Nwaigwe. A1

It has been a wonderful experience thus far. Our online tutors have an in-depth understanding of the language and try as much as possible to simplify the learning process. Also, the learning experience has been so much fun. We usually have assignments and interactions. In my opinion, this has helped me strengthen my diction and vocab of the language. I hope to continue my learning experience at the Goethe-Institut Nigeria until I attain my desired level, B2.

**-Olumuyiwa Rotimi. A1-A2
IT Professional, Lagos**

I took the German course and was very impressed and satisfied. My tutor kept the class engaged, they knew the materials that would be helpful and importantly, they knew how to convey the concepts for beginners of the German Language. I will highly recommend Goethe-Institut Nigeria to anyone wishing to learn the German language.

**-Jatau Bridget Ukamaka. A1
Lagos**

Studying in Goethe-Institut Nigeria has been a very interesting journey so far. I have learnt a lot and I really want to thank my tutors. The classes were interactive and interesting. I got the opportunity to meet new friends. It has been an exciting journey and I can't wait to gain more from Goethe-Institut.

**-Stephen Chidera Favour. A1
Lagos**

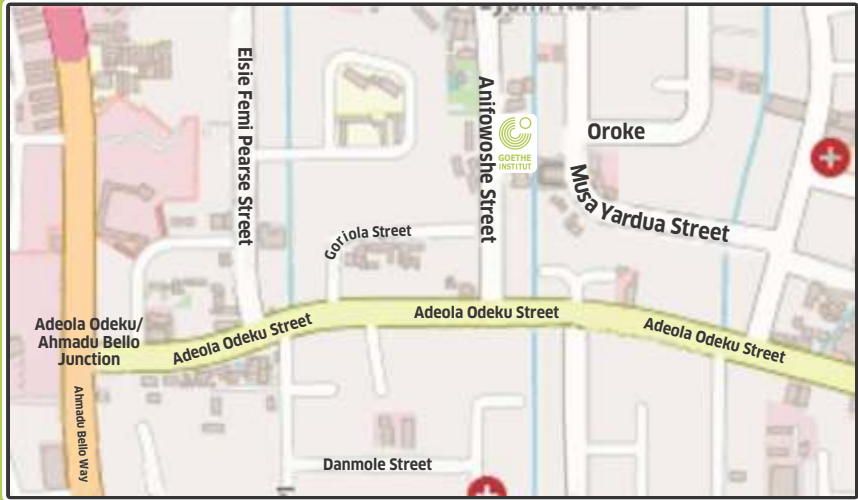

Learning at the Goethe-Institut Nigeria has been a thrilling and interesting journey. The amazing tutors I had, made the learning easier. Learning a new language used to look impossible but after a while at Goethe-Institut Nigeria, I can express myself relatively well in German.
