

Goals
You get to know students from your partner class even better.
You expand your knowledge about music by participating in a workshop.

Language Learning Goals
You know key concepts relevant to the workshop topic.
You can actively engage with the workshop topic and exchange ideas with other students.

BEATBOXING WORKSHOP

In this project, you will take part in a joint beatboxing workshop with your partner class and will give each other a taste of your new skills in a short final presentation.

YOUR ASSIGNMENTS

1

BEFORE THE WORKSHOP

In your group, collect information on the following aspects of beatboxing.

a. **What exactly is beatboxing? Research and write down three key features.**

b. **Who are some famous Indian beatboxers? Write down 2-3 names and 2-3 facts about each person.**

c. **Who are some famous German beatboxers? Write down 2-3 names and 2-3 facts about each person.**

2

Research some beatboxing practice beats using video tutorials. **Practice them with your partner.**

3

AFTER THE WORKSHOP

In mixed-class groups: work on a task that you received in the workshop. Try out what you have learned and make and record a short performance.

Publish your performance online. Your teacher will provide you with the link to the required app.

4

Comment on several of the recorded performances. Alternatively, you can meet with another group in a video conference app and present live. Give each other feedback and say which aspects of the performance you liked.
