

Goal  
You get to know students  
from the partner class.  
Language learning goal  
You can ask and answer  
questions related to  
commonalities.

# THIS IS WHAT WE HAVE IN COMMON

What do you have in common with other students?

What are the differences?

What is specific to just you?

You will find out about it all in this introductory task.

## YOUR ASSIGNMENTS

1 

**A** What makes you unique? What do you potentially have in common with other students? Write down at least three commonalities in each column.

This is what makes me unique:

*I have won an award.*

This is what I likely have in common with other students:

*I play a musical instrument.*

**B** Formulate questions using notes from task A. Write them down:

*Do you also play a musical instrument? I play...*

2 

You are working online in a group. Ask other students your questions.

Answer questions posed to you. Try to find 4-5 commonalities shared by all members of your group.

3 

Reflect on the commonalities that you found amongst your group.

*It is interesting that...*

*It is exciting that...*

*It is great that...*

*I found it particularly surprising that...*
