WELCOME TO THE GOETHE-INSTITUT HONGKONG

Where a whole new world awaits you

2023 is a very special year for us: The Goethe-Institut Hongkong celebrates its 60th anniversary!

Since it opened in 1963, the Goethe-Institut Hongkong has broadened the professional and personal horizons of more than 50,000 people, who have learned German with us. Every year about 6,000 adults, teenagers and children attend our language courses and 1,000 take our internationally recognized examinations. Tuition at the Goethe-Institut Hongkong does not just mean learning a language, but also experiencing Germany in its full variety.

Sharing a common language paves the way to an intercultural exchange without barriers. This is the starting point for the Goethe-Institut. As the official cultural institution of the Federal Republic of Germany with 158 Goethe-Instituts in 98 countries, we are much more than just a language school. With our wide-ranging cultural programmes, extensive libraries and media resources, we bring the German language, culture and society to life in all corners of the world.

At the Goethe-Institut, learning German means getting actively in touch with the language from the very beginning. Learn in a state-of-the-art learning environment with mostly native-speaking teachers and experience the latest trends in German arts, music, theatre, and film beyond the classroom.

We look forward to welcoming you at the Goethe-Institut Hongkong!

“English is a must, German is a plus” - this is also true in the Hong Kong business world as there are around 700 subsidiaries of German companies based in Hong Kong. With German in the Workplace, we offer local employees a new, tailor-made language training from level A1 to B1 to optimise communication and intercultural competence in the German-speaking working environment.

With a total of 7 modules, each with 5 lessons of 120 minutes, your employees will acquire German language skills in scenarios of communications with German-speaking customers, business partners, guests and colleagues as well as for the preparation and organisation of a trade fair appearance, a business trip to Germany or a longer stay for work in Germany. The modules can be booked individually or as a package and flexibly according to your needs.

At the end of the language training, participants can prove their newly acquired German language skills through our **Goethe-Test PRO** and thus acquire an internationally recognised certificate for the proof of language proficiency in a professional context. The Goethe-Test PRO uses advanced technology to evaluate personal language skills in reading and listening within 60 to 90 minutes. It is a flexible online test and can be taken either at the Goethe-Institut in Wan Chai or on your company's premises.
