

Business Lunch – Discover your career with German

Dear teachers,

Thank you for taking part in a talk from our series “Business Lunch – Discover your career with German”. We have put together some information which will help you to prepare for the session.

1. Preparation in the classroom

Please prepare the following in the lessons leading up to the event:

- Prepare some vocabulary and expressions related to the topic of the talk.
- Each student should prepare at least one question for the speaker; encourage your students to prepare and ask the questions in German.

Based on the interests of your students, please choose one of the following topics and work through them in your German lesson. This will help your students to learn career-related vocabulary and think about the world of work to prepare for the talk.

Available modules:

Language level*	Target group	Topic incl. link to the work sheets
A1	KS 3	Unternehmen Deutsch, Module 1: Presentation of Germany as an economic area
