18-WEEK ONLINE GROUP COURSE

OUR MOST FLEXIBLE OFFER

Complete an entire level of German (A1, A2 or B1) in our comprehensive 18-week group course. This course strikes a balance between structured learning and personal flexibility, featuring fewer live meetings to accommodate your schedule. Our dedicated teachers will provide ongoing online support, offering valuable feedback and personalized learning tips to ensure your language skills flourish.

This course has 8 fortnightly Zoom group sessions with one-week breaks between sub-levels so students can catch up on any incomplete exercises.

Our most affordable course has fewer live-sessions than our 5- and 10-week courses and is suitable for independent learners who prefer to study with a more flexible schedule.

Course access will be granted to students on the listed start dates.
