Education and Society

In partnership with:

**1. Help with the scripts for fairy tale:**

- The narrator will start with: *il était une fois* and talk about the initial situation.
- Write down dialogues between the characters.
- Think about who does what and if they are comfortable with the role that has been given to them.

**2. Help prepare the costumes:**

- Make sure that each student has a costume and can be recognised by the public.

**3. Rehearse the performances:**

- Make sure that everyone knows what they are doing and is ready to perform!
