7 min	Whole group	The children use both German and English to interpret artwork	Artist focus: Look at the picture that Felix and Franzi have brought: What can you see? Who painted it? Where did/do they come from? How was it made? Together look at the colours in their paintings – can we name them in German? Can we point to the colours and say a whole sentence? 'Das ist...' Then discuss the patterns and shapes in English. Show the learners other paintings by the same artist.	<ul style="list-style-type: none"> • Examples of paintings 	Welche Farbe ist das? – Which colour is that?
20 min	Small groups	The children create a piece of art	In small groups, learners could use a range of media to reproduce their own style of picture based on the styles of the artist studied. Examples: For Paul Klee, draw round maths 2D shapes to make your own pattern. For Hundertwasser, design the front of a building, with different colour sections. For Ute Laum- use watercolours to paint sunsets For a display, the pictures could be labelled with the German colour words. The learners present their artwork and describe the colours.	<ul style="list-style-type: none"> • Media such as crayons/chalk/pencils/pens/pastels/paints/magazines and glue for collage • Paper • Brushes etc 	Wir basteln! – Let' create something together!
