10mins	Whole group	The children become more involved with the club. Wooden spoons can have faces drawn on them. Finger puppets can be made out of card- there are templates available online that can be printed. <p>Often, learners who are shy to speak to each other or to a leader, will happily use a puppet to talk with or to.</p>	<ul style="list-style-type: none"> Items for making individual puppets. You can also think of a ritual for putting the puppets back into the box like a shushing sound to signal that Felix and Franzi are going back to sleep.)</p>
