

**KALAMATA  
INTERNATIONAL  
DANCE  
FESTIVAL**

**KID31  
LDN**

**18-27  
JULY  
2025**

**CALENDAR OF EVENTS**

The **31<sup>st</sup> Kalamata International Dance Festival** will take place from **18 to 27 July 2025**, featuring a rich programme of performances, parallel events, and workshops.

The **Performances** section includes 12 choreographic works, which will be presented at the Kalamata Dance Megaron. The two categories **Dance in the City** and **Dance in Cities of Peloponnese** will bring, respectively, 6 dance performances to various locations across Kalamata and 8 dance evenings to different cities throughout the wider region.

The Parallel Events programme features a temporary **Anniversary Exhibition** celebrating 30 years of the Festival, a new section titled **Dancing on Screen**, dedicated to the relationship between dance and cinema, and the **Offstage Encounters**—interdisciplinary discussions between the broader dance community and the public.

The **Educational Programme** offers a wide range of workshops and masterclasses for professional dancers, as well as workshops for the general public.
