

Keynote Schedule	
Key Value	Keynote Text

General Notes:

1. Please refer to previous electrical and lighting drawings for additional information.
2. Framing members and anchors indicate design intent. Engineer of Record to confirm through calculations all member sizes and connection design.
3. Contractor to confirm all material finishes and colors with architect.
4. See previously issued documents for additional materials and products not covered in these drawings.

Material List

PL-1 Plastic Laminate - Matte Black with color core ('Matte Black, (58)', Formica) or equal, all exposed cabinet surfaces in kitchen

PL-2 Plastic Laminate - Matte White, all interior cabinet surfaces in kitchen

TL-1 Ceramic Tile, glazed, gloss finish, 25x5cm x 10mm thick ('Vernici', Sartoria) color: 'Jungle Jam' or similar locally sourced product, single formed edge pieces. Form counter soffit and walls to ensure all tiles are full size.

TL-2 Ceramic Tile, glazed, gloss finish, 25x5cm x 10mm thick ('Vernici', Sartoria) color: 'Early Morning'.

WD-1 Timber veneer ply panel - White Oak, clear matte finish, exposed grain texture on surface, sustainably sourced, (i.e.FSC or PEFC certified)

Cabinetry Hardware - Push Latch concealed opening device on drawers and doors (Titus) with concealed spring hinges and heavy duty drawer glides.
