

OVERVIEW OF ALL SUBGRANTS AND PROCUREMENTS OVER EUR 15,000 AWARDED IN THE FRAMEWORK OF THE EU CONTRIBUTION AGREEMENT:

Project title	Culture Moves Europe
EU reference number	EAC-2022-0406
Total amount of EU contribution for the project	EUR 21,210,000
Short project summary <p>Culture Moves Europe supports cultural mobility in the overall 40 "Creative Europe" countries. Between 2022 and 2025, around 7,000 grants will be awarded to artists and cultural professionals as well as guest organisations (residency hosts) for projects regarding the sectors of architecture, cultural heritage, design and fashion design, literature, music, performing and visual arts. The project is funded by the Creative Europe Programme of the European Union and implemented by the Goethe-Institut e.V.</p> <p>6,000 grants are to be awarded through the action line "Call for Individual Mobility", for which artists and cultural professionals apply directly as individuals or groups of up to five members. A further 1,000 grants are to be provided to artists and cultural professionals through the action line "Call for Residency Hosts" – this is aimed at organisations and institutions as well as established artists and cultural professionals in the "Creative Europe" countries, who host one to five artists or cultural professionals for a residency project.</p> <p>The Culture Moves Europe team at the Goethe-Institut in Brussels checks whether the applications received from applicants meet the general requirements for a grant, while external evaluators experienced in the relevant sectors assess the quality of the applications. Other procurements include advertising and public relations, measures to improve sustainability and inclusion and events to promote underrepresented countries.</p>
