

## OVERVIEW OF ALL SUBGRANTS AND PROCUREMENTS OVER EUR 15,000 AWARDED IN THE FRAMEWORK OF THE EU CONTRIBUTION AGREEMENT:

<b>Project title</b>	Culture Moves Europe
<b>EU reference number</b>	EAC-2022-0406
<b>Total amount of EU contribution for the project</b>	EUR 21,210,000
<b>Short project summary</b> <p>The first edition of Culture Moves Europe supported cultural mobility in the overall 40 "Creative Europe" countries between 2022 and 2025. More than 7,000 grants have been awarded to artists and cultural professionals as well as guest organisations (residency hosts) for projects regarding the sectors of architecture, cultural heritage, design and fashion design, literature, music, performing and visual arts. The project was funded by the Creative Europe Programme of the European Union and implemented by the Goethe-Institut e.V. Around 6,000 grants have been awarded through the action line "Call for Individual Mobility", for which artists and cultural professionals applied directly as individuals or groups of up to five members. Around 1,000 grants have been provided to artists and cultural professionals through the action line "Call for Residency Hosts" – this was aimed at organisations and institutions as well as established artists and cultural professionals in the "Creative Europe" countries, who hosted one to five artists or cultural professionals for a residency project. The Culture Moves Europe team at the Goethe-Institut in Brussels checked whether the applications received from applicants met the general requirements for a grant, while external evaluators experienced in the relevant sectors assessed the quality of the applications. Further procurements concerned, among other things, public relations, work processes, and tax-related issues.</p>
