| | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
| Project title | Perform, Produce, Desing: Reviving Cultural Heritage, Artistic Expression and Creative Industries |
| EU reference number | NDICI-GEO-NEAR/2024/450-696 |
| Total amount of EU contribution for the project | EUR 1,500,000 |
| Short project summary <p>The project, titled Mishkal: "Perform, Produce, Design," is an initiative aimed at fostering a sustainable creative economy in Palestine. It's objectives is to strengthen a shared cultural identity by supporting diverse artistic expressions and preserving cultural heritage. Through this project, the rich cultural heritage and vibrant creative sector of Palestine will be leveraged to drive both economic and social revitalisation.</p> <p>The programme encompasses three major arts and cultural outcomes: (1) Site-Specific Performance Festival; (2) Arts Residency Programme in cultural heritage sites; and (3) Ramallah Design Week.</p> <p>These interventions aim to foster partnerships, exchanges, and exhibitions, particularly with European collaborators. They will enhance Palestinian's cultural identity and cultural heritage reputation, while creating opportunities for women and young cultural practitioners to grow their practices, professionalise their work, and access new showcasing, networking, or economic opportunities.</p> | |
