# WELCOME TO THE GOETHE-INSTITUT HONGKONG

## Where a whole new world awaits you.

Since it opened in 1963, the Goethe-Institut Hongkong has broadened the professional and personal horizons of more than 60,000 people, who have learned German with us. Every year about 3,000 adults, teenagers and children attend our language courses and 1,500 take our internationally-recognized examinations. Tuition at the Goethe-Institut Hongkong does not just mean learning a language, but also experiencing Germany in its full variety.

Sharing a common language paves the way to an intercultural exchange without barriers. This is the starting point for the Goethe-Institut. As the official cultural institution of the Federal Republic of Germany with 150 Goethe-Instituts in 99 countries, we are much more than just a language school. With our wide-ranging cultural programmes, extensive libraries and media resources, we bring the German language, culture and society to life in all corners of the world.

At the Goethe-Institut, learning German means getting actively in touch with the language from the very beginning. Learn in a state-of-the-art learning environment with mostly native-speaking teachers and experience the latest trends in German arts, music, theatre, and film beyond the classroom.

We look forward to welcoming you at the Goethe-Institut Hongkong!
