ITALIAN CULTURAL INSTITUTE
LOS ANGELES

Join us for an evening of contemporary European cinema, celebrating **Europe Day** and the launch of the **EUNIC Cluster Los Angeles**.

This special program brings together a curated selection of short films from **Austria, Belgium, France, Germany, Italy, Poland,** and **Spain**, offering a snapshot of today's European storytelling.

Each film engages with the theme of truth, moving across genres and aesthetics to reflect the diversity, creativity, and shared cultural dialogue that shape Europe today.

The screening will be followed by a conversation with experts from the film and cultural sectors, and will continue with a reception featuring national specialties from the participating countries.

Organized by the **Italian Cultural Institute**, in cooperation with the **Consulates of Austria, Belgium, France** and **Poland**, as well as the **Goethe-Institut**, **Villa Albertine** and the **Instituto Cervantes**, with support from **SEEFest** and **ELMA**, this evening is part of a European Short Film Series presented by EUNIC LA.
