

PRESS RELEASE

## **The Goethe-Institut runs a new film series: *The Dreileben Trilogy***

**April 8, 15 & 22, 2015**

The Wednesday Movie Nights are a permanent feature of the program work of the Goethe-Institut Philippinen. The screenings feature a wide range of German movies of various themes and issues. **Admission is always free** and the film showings are open to everybody. The movies are shown in **German with English subtitles**.

For the next set of films, the Goethe-Institut is kicking-off a thriller series right after the Holy Week – The Dreileben Trilogy! They will show you that nothing beats a good mystery: excitement, drama, and intrigue capture the mind and riddle the senses with an unsolved puzzle, an unanswered question, or an undiscovered secret. Through the crimes and their eventual resolution, this genre brings out a contrast of the darkest of passions and the brightest of minds.

This series features a trilogy of crime thrillers as a result of the cooperation among 3 of the most renowned German directors today: Christian Petzold, Dominik Graf and Christoph Hochhäusler. Each movie in the trilogy is directed differently, and tells its own independent story, but the films still have the same basis, and each tells a tale that will bring out the sleuth in you, and leave you wondering if you can discover the truth before the dynamic cast of characters can.

The screenings will take place **every Wednesday evening at 6:00 PM** at the **4<sup>th</sup> Floor, Room 3 of Goethe-Institut Philippinen**. The schedule is as follows:

### **April 08, 2015 Dreileben – Etwas Besseres als den Tod (Beats being dead)**

A sexual offender escapes from a hospital. His escape and the police's hectic search serve as a background to the love story between Johannes, a boy from a rich home undertaking his civilian service, and Ana, a pretty girl from Bosnia.

### **April 15, 2015 Dreileben – Komm mir nicht nach (Don't Follow Me Around)**

A sexual offender is loitering somewhere in the Thuringian forest. Police psychologist Johanna is sent to Dreileben to assist in the case.

### **April 22, 2015 Dreileben – Eine Minute Dunkel (One minute of darkness)**

Frank Molesch, convicted of murder, uses an opportunity to escape. He takes refuge in the forest. The awareness that he has become fair game changes him. The police combine all their technology and manpower to capture the fugitive.
