

TOURING POSTER EXHIBITIONS FOR THE GERMAN CLASSROOM

We provide themed posters with worksheets on various topics. They are suitable for classroom use, project work, school events, interdepartmental activities or to arrange an exhibition for your school. **Accompanying worksheets and resources can be downloaded from our website.**

NEW! DEUTSCHE STÄDTE UND LANDSCHAFTEN

15 German cities and landscapes are presented and typical aspects highlighted. Extensive teaching materials accompany these resources (available for A1 & A2 levels). The QR code on every poster will lead to online activities and exercises in order to explore themes and provide further language practice.

JUGEND IN DEUTSCHLAND

15 collages designed by pupils in Berlin. They present aspects and interpretations of central topics such as "Freunde", "Freizeit", "Zukunft". Accompanying worksheets (suitable for A1 to B1) are available as free downloads. This project was initiated by the German Foreign Office and involved an art class of a school in Berlin.

MÄRCHENWELTEN:

9 posters focusing on popular themes from fairy tales. Classic fairy tale images are combined with contemporary youth

and pop culture references. Themes are: brave heroines and heroes, animals in fairy tales, the ever-present, but always defeated evil and creepy characters, fantastical quests, incredible magic. Worksheets for A1 & A2 levels.

MUSIK + X:

17 colourful posters plus one DVD illustrate the music scene in Germany. The accompanying materials (for A1 to B1) provide

background information on German musicians from different genres (Pop, Hip-Hop, Rap, and Techno) as well as worksheets and pictures.

How to Book:

If you are interested in borrowing one of the poster exhibitions, please return the completed agreement form which can be downloaded from our website. The loan period is usually 6 weeks.
