11) WE WANT TO GO HOME BECAUSE OF THE HEAT!

(Lit: WE WANT HEAT-FREE!)

(CD tracks 31-32)

1. We have to sit in school  
and sweat from every pore,  
swot up on German, French, and Maths  
until our heads are steaming.

Chorus:

We want to go home because of the heat! (4x)

(Lit: We want heat-free!)

2. What's the time? It's nine o'clock.  
How high is the temperature now?  
Twenty-five degrees in the shade.  
We are dreaming of the beach and hammocks.

Chorus:

We want to go home because of the heat! (4x)

(Lit: We want heat-free!)

3. It's hot in the classroom.  
Sweat is dripping onto our exercise books.  
Studying is a torture now.  
School doesn't matter to us at all.

Chorus:

We want to go home because of the heat! (4x)

(Lit: We want heat-free!)

4. What's the time? It's ten o'clock.  
How high is the temperature now?  
Twenty-seven degrees in the shade.  
We are dreaming of the beach and hammocks.

Chorus:

We want to go home because of the heat! (4x)

(Lit: We want heat-free!)

The thermometer is rising and rising.  
Now we are finally there:  
Final chorus:  
We are going home because of the heat!
