HOW DOES A LAW BECOME A LAW?

In both Germany and the United States, there is a specific process for the passage of legislation or a law.

Who can propose new legislation? Which branch of the government votes on new laws?

Create a flowchart to show how federal legislation is made into a law in your country.

YOUR ASSIGNMENTS

1 

In a small group, **research the process** by which legislation is introduced and passed into law at the federal level in your country.

2 

Create a **list of the steps** involved in the process, including people, time frame, committees, etc. Make sure your list is precise – not wordy!

3 

Create a **flowchart that shows the legislation process** in your country. Check out examples on the web.

4 

Share and explain your flowchart with a small group from your partner class. Be prepared to answer questions.
